Advice from abroad report orders issued for a reduction of strike among the mill operatives."

NEW YORK, AUGUST 27.—Money on call easy, ranging from 4 to 6 per cent, closing at 4 1/2 per cent. The exchange quiet, but steadily unchanged.

Bonds—Government and State bonds have been dull and steady. Railroad bonds have been very dull and generally heavy. There was no feature of importance, and the total sales for the day were \$247,000. There was an increased trading in the West Shore 4s, the sales of which ranged up to \$22,000, but the extreme fluctuation for the day was only 1/2 per cent, and they closed without change. The business in the remainder of the list, with the exception of the Denver and Rio Grande, Western preferred B and was extremely light and fluctuations small. Final prices show irregular changes, generally for fractional amounts only. Ottumwa, Cedar Falls and St. Peters falls were up 2 per cent at 111; St. Paul terminals were 1 per cent at 104, and Hannibal and St. Jos consols 1/2 at 102.

Stocks—The stock market today continued in the same extremely dull condition in which it has been for some days past, and although the speculation exhibited a little more strength the usually active stocks exhibited no feature, the important movements being confined to a few specialties. The principal feature was trading in New York and New England, and it advanced to the highest point yet reached. The San Francisco stocks continue to advance under buying for foreign account, induced by the increasing earnings of the company. Extensive coverings of shorts in Union Pacific caused an advance of 1 per cent, most of which was retained at the close. The opening was made at advances ranging from 1/2 to 1 per

cent, the latter in Pacific Mail. Prices continued firm and slight advances were made in the early dealings, but later they became heavy and in most cases the early advances were lost, but in the first hour there was an improved feeling and the market closed on a rally generally at fractions better than the opening. The business of the day amounted to 143,519 shares. New York and New England was most active, its sales reaching 31,330. There were only two other stocks, however, in which the sales were over 10,000 shares, Luskanna with 17,738 and Erie with 11,405. The net result of the day's business is an advance for everything on the active list, San Francisco preferred is up 1/4, New York and New England and Erie preferred 1/4, and Louisville and Nashville 1 per cent.

The total sales of stocks today were 143,519 shares, including Delaware, Luskanna and Western, 17,738; Erie, 11,405; Lake Shore, 7316; Louisville and Nashville, 3906; North-western, 6783; New York Central, 5125; St. Paul, 9700; St. Paul and Omaha, 3480; Texas and Pacific, 3320; Union Pacific, 3110; Western Union, 7607.
